PortaPros Honored as Small Business of the Year at Boise Metro Chamber of Excellence Awards

Boise, ID, June 2024 – PortaPros, is proud to announce that it has been named the **Small Business of the Year** at the 2024 Boise Metro Chamber Small Business and Excellence Awards. The prestigious award was presented on June 17 at the Boise Centre West during the Chamber’s annual luncheon celebrating local business excellence.

Founded in 2012, PortaPros began with a mission to “Do It Better By Doing It Different,” providing the Treasure Valley with clean, reliable, and innovative portable sanitation solutions. Over the years, the company has expanded its offerings to include ADA and luxury flushable restrooms, executive restroom trailers, portable handwash stations, temporary fencing, and high-rise construction-specific Polylift and Highrise restrooms. Additionally, PortaPros has become an industry leader with its GAP (Good Agricultural Practices) Trailer, which meets all USDA audit standards and supports agricultural customers across the region.

Taelor Preheim, PortaPros' Head of Sales and Marketing, shared her thoughts on receiving the award: *“It is such an honor to have been nominated for this prestigious award along with Graeber & Co and Metro Express Car Wash. We value the community we are a part of, and receiving this award as a portable sanitation company is a unique experience that we don’t take lightly.”*

The annual awards ceremony, hosted by the Boise Metro Chamber, recognizes businesses and individuals for their outstanding contributions to the community. This year's event was presented

by Meta and Hillcrest Bank and featured nominees and winners from various industries, showcasing the strength and diversity of Idaho's business community.

Reflecting on the achievement, PortaPros posted on social media: *"Almost twelve years ago, to this day, PortaPros opened its doors with a simple mission to 'Do It Better By Doing It Different.' On Monday, we were humbled to receive the Boise Metro Chamber Small Business of the Year award. This award is a reminder of our dedication to this mission for our customers and the people who make PortaPros a great company."*

PortaPros congratulates all nominees and award recipients and thanks the Boise Metro Chamber for this recognition. As we continue to grow, this honor reinforces our commitment to exceeding customer expectations and making a meaningful impact in our community.
